A PERFORMATIVE HIKE FROM EMMENBRÜCKE TO BEROMÜNSTER

ACT Lucerne is offering the format PERFORMANCES OUT OF YOUR BACKPACK, a hike from Emmenbrücke to Beromünster on Saturday, 29th of April 2023, 12pm - 8pm. What you need for the hike and your performance, you must be able to pack in your backpack. The order and places of the performances will arise on the way according to your scenographical needs. In Beromünster, a place to chill and celebrate our journey will be organized.

We will pass by different landscapes like cities, small villages, open fields, streams and rivers, woods, fireplaces.

The hike will be around 20km long, you may accompany us all the way to Beromünster or end your journey earlier any time. The performances will take place whenever we are making a break and taking a rest, so they should fit into the timeframe of a break. Long durational performances taking place while walking are very welcome as well.

We will offer a ULTIMATE EARS (UE) Hyperboom Box and clip-on microphones as a basic technical equipment.

Meeting point is the HSLU Lucerne, 745 Viscosistadt, Nylsuisseplatz 1, CH- 6020 Luzern-Emmenbrücke. Please bring foods and drinks for the way. If you need an overnight stay (Saturday to Sunday), please let us know.
